

The 7th European Kesterite Workshop

The PhD Student Pre-Workshop

16 November, 2016

Hightech Campus, Eindhoven, the Netherlands

Dear PhD students,

We are glad to invite you to the PhD Student Pre-Workshop of the 7th European Kesterite Workshop. This PhD day is highlighted by introducing the session of the industry podium discussions, to provide broad perspective for the future career development of PhD students, in addition to the scientific discussions. Looking forward to seeing you in the pre-workshop!

Yi Ren, Tove Ericson, Katharina Rudisch

Agenda for PhD day – 2016/11/16	
10:00	Departure from Leuven
	A return bus will be arranged in the same day, leaving from Leuven central station
12:00	Arrival at Eindhoven Hightech Campus, Congress Centre, room Ernst
12:00-13:00	Light lunch at Solliance
13:00-13:15	Welcome by Solliance
	Tutorials about measurement and fabrication techniques
13:15-15:15	<i>Thermal process for kesterite synthesis – Yi Ren/Katharina Rudisch (UU)</i> <i>Photoluminescence – Mario Lang (KIT)</i> <i>Neutron Diffraction – Laura Elisa Valle Rios (HZB)</i> <i>Secondary Ion Mass Spectroscopy – Sigbjørn Grini (UO)</i>
	Open discussion with coffee break
15:15-16:00	All students are highly encouraged to bring their own data and to discuss them among fellow PhDs
	Industry podium discussion
16:00-17:00	Invited industry/institute/organization speakers to share the experience and advice for the PhD student's future career development TNO – Dr. Fieke van den Bruele ZUYD – Dr. Alex Masolin Umicore – Dr. Rufi Kurstjens Smit Thermal Solutions – Dr. Hadley Myers
17:00-18:00	Lab tours
	Visiting the industrial partner organization - the Solliance - thin film PV lab
18:00-19:00	Dinner at Solliance
19:00	Return to Leuven
